# Minnesota Public Health Data Access

[health.mn.gov/mndata](https://health.mn.gov/mndata)

## Explore Health & Environmental Data

Immediate access to maps, queries  
and facts & figures

Download maps, customized tables  
and charts

Compare data across race, age, gender  
and income

Search for state and local data  
by geographic region and time

Access national data resources  
for broader comparisons

## Receive Data Updates

Stay informed about new data  
and public health indicators

## Request Consultation

Get help on your next project

Schedule a demonstration or training

Learn how to use public health data  
to create healthy communities, support grant  
proposals and inform public policy.

[health.mn.gov/mndata](https://health.mn.gov/mndata)

*New topics and data will be added as they become available  
from Centers for Disease Control and Prevention  
and MN Environmental Public Health Tracking.*
